The Merrimack County Convention

CONCORD, N. H., FEB. 2, 1925

In accord with due previous notice the Merrimack County delegates met at the County Farm where dinner was served under the direction of County Commissioners after which a meeting was called, Chairman Parsons presiding, where roll was called and 37 members responded.

A quorum declared present. Minutes of previous meetings read and approved.

Mr. Fish of Warner, Chairman of Special Committee, reported the committee had attended its duty and submitted the following budget of estimated net County expenses for each year 1926 and 1927 as presented by the County Commissioners:

County Farm	\$27,000
Poor away from Farm	32,000
Soldiers Benefits	2,500
County Jail	6,000
Court Expenses	16,000
Court House	10,000

Salaries County Officers	5,300
Expense County Officers	500
Aid to Needy Blind	1,600
Interest on Temporary loans	2,000
Miscellaneous payments	500

	\$103,400

The County Convention of 1923 voted an appropriation of \$103,400 for the expenses of the County for each of the years 1924 and 1925. In addition to this an additional appropriation of \$4500 was voted for the benefit of the Farm Bureau for the year of 1924. An appropriation of \$4,250 was also voted to this organization for the year 1925 making the total \$107,900 appropriation for the year 1924, and for the year 1925, \$107,650.

The county report for 1924 now in the hands of the printer, shows that the total receipts for the year includes income from the farm and sources, were \$126,705.55 and net expenses were \$125,850.90, which leaves a balance of \$850.64 inside the appropriation for the year.

We do not believe there is any occasion or necessity for any increase in appropriations for 1926 or 1927, and we would recommend that appropriations not in excess of the present amount of \$107,650 be made for the years 1926 and 1927.

This will not increase the County tax, which we do not think should be done at this time.

Signed

ARTHUR H. BRITTON,
JOHN G. MCQUILKIN,
FREDERICK A. HOLMES,
Commissioners.

Mr. Fish moved the adoption of the same.

Remarks by Mr. Ahern who seconded it.

Remarks were made by members of the Farm Bureau Association, asking for \$3,000 addition for extension work.

On a motion by Mr. Moore that we increase the Farm Bureau asked for as an amendment.

On rising the vote motion was lost 17 to 12.

Mr. Ahern then moved we adjourn subject to call of the chair—carried.

A true record, Attest:

FRANCIS T. DOUPHINETT.

REPORT OF THE COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailor, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1925.

COUNTY FARM

The County Farm at Gerrish, in the town of Boscawen, remains in charge of Mr. and Mrs. J. M. Lorden as Superintendent and Matron. The results of their administration have continued to be most successful and satisfactory as in the past. The number of people cared for during the year has been about the same as the average for the past few years. The buildings are all in good condition and the farm continues to produce large crops, which is a most important factor in keeping the cost of maintenance down. Not only was sufficient produce raised to meet the home needs of the institution, but it was made possible to sell a considerable amount which materially helped to bring the cash receipts at the farm up to \$14,582.66. For detailed statistics regarding the farm, we would refer you to the report of the Superintendent on another page.

EXPENSE OF MAINTENANCE

Amount of orders drawn against the farm for the year 1925	\$42,136.81
Inventory personal property, Jan. 1, 1925,	30,585.65
Amount due the farm, Jan. 1, 1925,	2,501.42
	—————
	\$75,223.88

Inventory personal property, Jan. 1, 1926,	\$32,076.91
Cash receipts at farm for 1925,	14,582.66
Amount due farm, Jan. 1, 1926,	2,937.26
	————— \$49,596.83
Balance against the farm,	\$25,627.05
Total number of weeks board and care furnished inmates and prisoners	5,272
Average net cost per capita, a week,	\$4.86

POOR AWAY FROM THE FARM

In providing for the support and care of the dependent county poor, away from the farm, during the past year, the sum of \$32,398 was expended. This is a slight increase over the year 1924. In this sum is included the care of children in private homes and orphanages.

JAIL

The Jail has continued under the efficient direction of Sheriff Geo. A. Wooster, as in recent years.

At a meeting of the Merrimack County Convention, which is composed of all the members of the legislature from this county, held at the State House, April 22, 1925, it was voted to offer the jail property to the Union School District of Concord for the sum of \$70,000. After considerable deliberation on the part of the School District, this offer was accepted. In accordance with the vote and instructions of the Convention the property will be turned to the School District on Feb. 1, and the cash received from the sale deposited at interest in the savings banks as directed. As will be noticed, by reading the proceedings of the Convention in the front part of this report, it was voted that this money should be deposited in the savings banks to be known as the Merrimack County Jail Fund, the interest

to be used for the support of such county prisoners as the county may be liable.

It will thus be seen that this fund of \$70,000 is to remain in tact until further action by the Convention. If, in due time, it appears that it is for the best interest of the county to build a new jail, this fund will be available for such purpose whenever the County Convention may so authorize by majority vote. As the erection of new county buildings is vested by law with the Convention, they alone can authorize the erection of a jail or any other county building whose value is in excess of \$1,000. The present jail is one of the oldest, if not the oldest in the state, and is far from meeting the needs of the present day. It would seem that if Merrimack County is to erect and maintain a jail, it should have a modern, safe and sanitary institution, but not necessarily on a large or expensive lot. Should there be any prisoners in the jail on Feb. 1, the law provides that they may be transferred to some other institution by order of the Court.

FINANCES OF THE COUNTY

The Treasurer's Report shows that the total receipts from all sources during the year 1925 were \$213,211.22. Total expenditures, \$202,030.80, leaving a balance on hand at the close of the year of \$11,180.42. There are no outstanding bonds or notes. Neither were there any unpaid bills which had been presented and approved Dec. 31, 1925.

We are also glad to be able to report that the county taxes for the coming two years will not be increased.

VALUATION OF COUNTY PROPERTY

Almshouse, Court House and Jail,	\$225,000.00
Personal property at farm,	32,076.91
Personal property at court house,	6,000.00
Personal property at jail,	550.00

In submitting this report to the citizens of Merrimack County, we take the opportunity to express our sincere

appreciation of the great help and hearty co-operation given us by all in our work during the year just closed.

Respectfully submitted,

ARTHUR H. BRITTON,

JOHN G. MCQUILKIN,

FREDERICK A. HOLMES,

Commissioners of Merrimack County.

Treasurer of Merrimack County.

Since the closing of the books, December 31, 1925, the sum of \$70,000.00 has been received from Union School District of Concord for the sale of the Jail property. While received too late to get in the 1925 account, the same has been deposited in savings banks as instructed by the Merrimack County Delegation in the legislature at a meeting held April 22, 1925.

JOHN L. T. SHAW,
Treasurer of Merrimack County.

We have examined the foregoing accounts of John L. T. Shaw, Treasurer of Merrimack County, and find the same correctly cast and properly vouched.

ARTHUR H. BRITTON,
JOHN G. MCQUILKIN,
FREDERICK A. HOLMES,
Commissioners of Merrimack County.

December 31, 1925

AUDITORS' REPORT

We hereby certify that we have audited the accounts of the county commissioners, county treasurer, and superintendent of the county farm, from January 1, 1925, to January 1, 1926, and have found the same correctly cast and supported by proper vouchers. We believe that all purchases have been made at reasonable prices and have been used for county purposes.

W. J. AHERN,
ELWIN L. PAGE,
County Auditors.

To the Auditors:

We hereby certify that the floating indebtedness of the county on January 1, 1926, to the best of our knowledge and belief, does not exceed five hundred dollars, aside from the amount due cities and towns for the support of soldiers and sailors, and for the salaries of the county officers for the last quarter.

ARTHUR H. BRITTON,
JOHN G. MCQUILKIN,
FREDERICK A. HOLMES,
Commissioners of Merrimack County.

MERRIMACK SS., January 22, 1926.

Personally appeared Arthur H. Britton, John G. McQuilkin, and Frederick A. Holmes, and made oath to the above statement.

I. EUGENE KEELER,
Justice of the Peace.

REPORT OF THE CHAPLAIN

To the Commissioners for the County of Merrimack:

In my third annual report I am expected to tell what work has been done and the progress made. The former is easy to do but the latter we cannot forecast, as the farmer may do on a season's harvest, for the soul's progress is not seen by human eyes, but it is known to Him. Twenty services have been held during the year, two every month except July and August, observing Easter, Mother's Day, Thanksgiving and Christmas, reading and commenting on the admirable proclamation by Gov. Wenant. The chapel service is inspiring and has almost reached the acme of perfection. Since Mrs. Chase has moved to Lebanon, Mrs. Lyle Watson officiates at the piano, assisted by Mr. Buck on the violin, Miss Ruth Currier, Miss Louise Starkweather and last but not least Miss Dorothy Watson, ten years old, who never fails to render a solo carefully prepared and committed to memory. Mrs. Lorden takes a deep interest in this service and believes for the good of all it should be sustained. The largest attendance was reported at the last service in November.

An encouraging word is often given to the sick or those in trouble and it would seem that when we become better acquainted these brief calls would increase. Nine funeral services were observed during the year when words of respect and farewell were spoken over the remains of our aged friends.

Christmas proved the great event at the Farm as usual. It was a splendid festival this year, marred only by the absence of Commissioner Holmes and Mr. Haggerty. Both were well remembered and all expressed the hope that next year would find them with us and back to normal health.

The program was up to the high standard set on other occasions. A devotional service consisting of a Scripture lesson, prayer and a brief address was given by the chaplain. A quartette composed of Chester Griffin, Arthur Leonard, Charles Scribner and Albert Manuel of Franklin favored us with several songs, a cornet selection by Mr. Leonard assisted on the piano by his young son, Master Leonard. Readings and monologues by Miss Helen Bean of Concord, to the great pleasure of all. The Highland Fling (a Scotch Dance) was given by Miss Caroline Fraser of Concord received a genuine encore. Dressed in the suit of a highland soldier she explained each part of it and her reading in the Scotch dialect made her a popular entertainer. Other readings, songs and recitations were rendered in fine style by Mrs. Forsaith, Dorothy Watson, Gladys Miller and Alice Flanders.

We are proud of this home of the County. It is a good home for many unfortunate but worthy folks. There still exists a splendid spirit of co-operation among the helpers and as a former chaplain said, so we all say: "Mr. and Mrs. Lorden are an excellent blend of efficiency, humanity and inspiration."

Respectfully submitted,

DANIEL McINTYRE.

REPORT OF THE COUNTY SOLICITOR

To the Commissioners for the County of Merrimack:

In accordance with the requirements of the law, I submit the following report for the year ending December 31, 1925.

At the April Term of the Superior Court, the Grand Jury found 15 indictments against 12 respondents as follows:

Adultery	5
Breaking and entering	3
Embezzlement	3
Larceny	3
Non-support	1

Of these respondents 4 were sentenced to prison, 1 to the House of Correction, and 5 paid fines and costs. In the other cases, sentence was suspended or the cases were continued for sentence.

At the October Term of the Superior Court, the Grand Jury found 9 indictments against the same number of respondents as follows:

Adultery	1
Breaking and entering	2
Embezzlement	2
Incest	2
Larceny	2

Of these cases 5 were sentenced to prison, 1 to the House of Correction and 2 paid fines and costs. The remaining case was that of a young girl who was turned over to the State Department of Charities and Corrections.

At this Term the cases of George Lohs and James Doumas were also disposed of by the respondents being sent to prison. These men had jumped their bail after having been indicted by the Grand Jury at a previous Term but after diligent search by the Police, they were located and brought back. In connection with these cases and that of Harry Cairns, the sum of \$1,372.40 was paid over to the County by Abe Green, professional bondsman of Manchester, this amount having been declared satisfactory by the Court and the County Commissioners.

The work which has been outlined above constituted but a part of the work of the County Solicitor during the past year. Many minor offenses were handled in the Municipal Courts of the County and there was an investigation of every automobile accident in which a death occurred. In none of these fatal accidents, however, was there sufficient evidence to justify prosecution.

The most important feature of the year has been the successful prosecution of a large number of the more prominent offenders against the liquor law in this County and during the last half of the year there appeared to be less violation of the law in Merrimack County in general and the City of Concord in particular, than has been true since 1917. This situation was reflected at once in a smaller number of arrests for drunkenness and in a general bettering of law enforcement through this jurisdiction.

This year has also seen a satisfactory termination of the murder cases of State v. George L. Hause and State v. Leo A. Roach, in both of which the State was successful in preventing a new trial. Because of the changes in the office of the Attorney General, these two cases were handled by the County Solicitor when they were before the Supreme Court. In the Hause case the death sentence was committed by the Governor and Council,

so both these respondents are confined for life at the State Prison.

The same satisfactory spirit of co-operation that has existed heretofore has pervaded the activities of the various officials entrusted with the enforcement of the law in this County during the past year. No cases of any consequence are pending at the close of the year and the situation in this jurisdiction as far as law enforcement is concerned seems to be very satisfactory.

HERBERT W. RAINIE,
Solicitor.
